### UNIT RULE ENFORCED

Governor Harmon Gets Entire Ohio Delegation.

Toledo, O., June 5.—Governor Judson Harmon won his fight in the Democratic State Convention for the application of the unit rule by a vote of 257 to 157, and will have the undivided support of Ohio's forty-eight delegates in his candidacy for President at the Baltimore convention.

The anti-Harmon forces, led by Mayor Newton D. Baker, of Cleveland, made a determined fight on the unit rule and declared they would file their protest at the Democratic convention. Nineteen of the district delegates to the Baltimore convention are Wilson adherents elected at a primary, but under the unit rule will be obliged to vote for Harmon.

## NOAH'S

Is Rheumatism getting a grip on you?

Rheumatism is the most distressing and discouraging of all troubles. Nine cases out of ten can be cured by using Noah's Liniment.

Where there is no swelling or fever a few applications will relieve you.

Noah's Liniment penetrates—does not evaporate like other remedies. Requires very little rubbing.

## LINIMENT

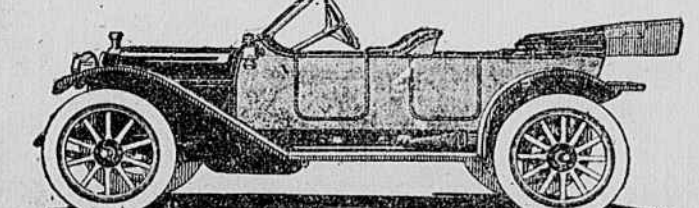

LET THE FOLLOWING CONVINCE YOU

"This testimonial, I trust, may be of benefit both to you and the large number of persons who suffer from that many-headed monster, rheumatism.

"For the past month I have been suffering with rheumatism in my ankle, in step and toes. I tried several remedies, which apparently gave me no relief.

"You are at liberty to use my name and testimonial in any way which will be of most service to you." C. A. James, 321 Dinwiddie Street, Portsmouth, Va.

to cast their ballots for Harmon at Baltimore.

Twelve delegates-at-large with half a vote each were named by Governor Harmon and formally approved by the convention. Friends of Governor Harmon drafted the platform adopted and dictated the nomination of the State ticket.

Congressman James M. Cox, of Dayton, was nominated by acclamation for Governor. He is a progressive Democrat in politics and the publisher of the Ohio Independent. He is now serving his second term in Congress and is forty-three years old. The ticket also includes Lieutenant-Governor Hugh C. Nicoll; Secretary of State, Charles H. Graves; Treasurer of State, John P. Brennan; Auditor of State, A. V. Donahoe; Attorney-General, Timothy S. Hogan.

### HIS VICTORY IS SWEEPING

Roosevelt Wins in South Dakota by Plurality of 15,000.

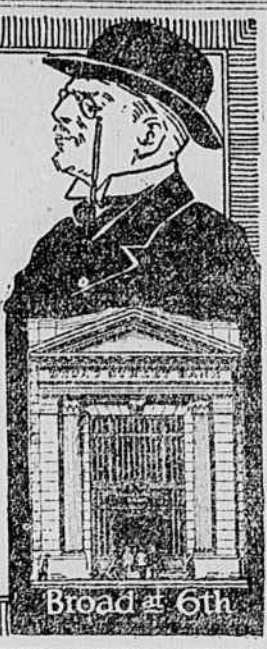

Sioux Falls, S. D., June 5.—Late yesterday South Dakota's primary election indicated that the plurality for the Roosevelt delegates may reach 15,000. For Governor, returns from about 100 precincts in the State, this being about half of the precincts gave Byrne a lead of about 7,000 over G. W. Evans. For Congress, Thomas Sterling claims his nomination over Senator Gamble by about 5,000 plurality.

Returns thus far received in the Second Congressional District give Congressman Burke, for re-nomination, a lead of about 500 over Curtis, his nearest Republican opponent. Congressman Martin is conceded to have won in the Third District. Nearly complete returns from Mitchell show that in the First Congressional District C. H. Dillon, of Yankton, has a lead of about 200 over O. L. Branson, of Mitchell.

absurd charges," reads a statement issued this afternoon in regard to the indictment against Dr. H. D. Hatfield, of Frederick O. Beach, for assault on his wife. The statement was issued by Thomas S. Fuller, Beach's lawyer.

"The indictment against Mr. Beach was, of course, a foregone conclusion," the statement reads. "It is nothing more than a formal step in the ill-considered prosecution which the authorities in Aiken have been induced to undertake upon a circumstantial case manufactured by a private detective. Neither Mr. nor Mrs. Beach nor any of their witnesses were heard by the grand jury."

"It is most unfortunate that the case cannot be tried at this term of the court."

### VERITABLE LANDSLIDE

Dr. Hatfield Easy Winner of Nomination for Governor.

Charleston, W. Va., June 5.—That yesterday's Republican primary in West Virginia was a veritable landslide for Dr. H. D. Hatfield, for Governor, over Charles W. Swisher and Charles W. Dillon, was indicated to the extent that the latter two candidates, when more complete returns were obtained, Dr. Hatfield's nomination was conceded by from 25,000 to 30,000.

The other nominations were: Secretary of State, Stuart P. Reed; State Superintendent of Schools, M. P. Shaw; Congressmen-at-large, Howard Sutherland, Auditor, John S. Darrat, Attorney-General, A. A. Lilly.

The race for State Treasurer between C. P. Rathbone and E. L. Long is close and doubtful.

### Charters Issued.

Amendment was made to the charter of the Kent Furniture Company, changing name to Kent Furniture Company (Inc.), Petersburg, Va., increasing capital from \$100,000 to \$150,000.

### Arrested and Released.

[Special to The Times-Dispatch.] Norfolk, Va., June 5.—Catcher, Maec, of the Richmond baseball team, was arrested this evening. He was alleged to have made a remark to a woman who was passing a group of ballplayers in front of the Colonial Hotel. He was taken to the precinct station, but no charge being preferred against him he was released.

### Daniel—Thompson.

[Special to The Times-Dispatch.] St. Louis, Mo., June 5.—A large number of friends witnessed the marriage Tuesday afternoon of Miss Margaret M. Daniel and Rev. W. M. Thompson at the residence of the bride's father, Mr. H. L. Daniel, rather than at the residence of the groom, as was expected.

The wedding took place on the front porch, which was beautifully decorated with roses and flags. At the sound of Mendelssohn's wedding march, which was played by Miss Maude Mahone, of this place, the doors were thrown open by two little girls, nieces of the bride. Miss Bessie Ballou then entered and was followed by Rev. J. E. Ruge, of Colgate University. Then came the groom with his best man, Rev. A. B. Bass, of Hamilton, N. Y., and was followed by little Miss Lavinia, the bride's youngest daughter, and her mother, Miss Verna Thompson, of Mt. Sterling, Ky. Rev. E. K. Odell, of the Methodist Church, of this place, the bride's pastor, was assisted in performing the ceremony by Professor J. B. Hill, of Chatham. The bride was attired in a blue going-away suit, with hat and gloves to match.

The groom is a native of this county, an alumnus of Richmond College, a graduate of Colgate University, and is at present doing post-graduate work there. Rev. and Mrs. Thompson left on the afternoon train and will visit Richmond, New York, Washington and Albany. They will reside in Wellsbridge.

### Board Adopts Budget.

[Special to The Times-Dispatch.] Raleigh, N. C., June 5.—The State Board of Agriculture this afternoon adopted the budget for the next six months, setting aside \$98,354 for the expenses of the department. It includes \$100 for tobacco and corn exhibits at the State Fair and \$500 for a special corn exhibit that shall be prepared for the State Fair and taken with addition to the National Corn Show at Columbus, O.

### Jury Fined for Being Drunk.

[Special to The Times-Dispatch.] Harrisonburg, Va., June 5.—In the United States Court, in session here, Judge Henry McDowell halted a case and fined a jury \$50 for being intoxicated while serving as jurors in the case of G. H. Ray, who was being tried on the charge of selling whiskey with a Federal license. McDowell paid a fine of \$10 and left for his home. The jury was then discharged and the case postponed.

### FIVE NEGROES ARE BURNED TO DEATH

Lynchburg, Va., June 5.—Five colored persons were burned to death early this morning when the home of Morris Turner, a colored farmer, who lived a mile from Forest, was consumed by fire, the origin of which is a mystery. All of the victims were members of the colored man's family, three of them being daughters and the other two his grandchildren.

Turner and his wife were awakened by the flames in their night clothing just in time to save themselves. They had no opportunity to arouse the five sleeping persons, for it is believed all of them were dead before Turner and his wife were awakened. Barely had the couple escaped when the house fell in.

The house was a substantial frame structure with four rooms, two on each floor, and it was enveloped in flames when the couple got out. The fire was discovered about 1:30 o'clock this morning, but no explanation has been offered yet as to how it started at this hour of the night.

## VIRGINIA LEAGUE LOSES DANVILLE

Stockholders and Directors Unanimously Vote to Surrender Franchise.

MAY BE PLACED IN SUFFOLK

Meeting of League Will Be Called for Friday in This City.

(Special to The Times-Dispatch.) Danville, Va., June 5.—At a meeting of stockholders and the directors of the Danville Athletic League, it was unanimously decided to surrender the Danville franchise. This was formally turned over to President Boatwright, after the meeting he left to-night for Suffolk, where he will endeavor to place the orphaned team. Baseball in this city has been a losing proposition from the very start.

In games away and games at home, history has repeated itself and repeated appeals to the fans and public have been made time and again, until interest has dwindled in baseball, and attendance has been poorer at almost every game played here. This, combined with the unusual streak of bad luck, recently, when the local team dropped eleven straight games, brought matters to a crisis.

At the present time, about \$1,100 is owed to the local players, and for this according to President Boatwright, the league is responsible. The erstwhile Danville team left to-night to play at Petersburg, and it will continue to maintain its schedule until some other city has been found to take it. The news of the failure of the local team was received throughout the city with genuine sorrow. Many times acute crises have been reached and overcome in years gone by, but nearly everybody realized that this time the matter had gone too far to be remedied and it was generally anticipated that the franchise would be surrendered.

The meeting was a very quiet one, and lasted but a short while. President Boatwright announced to-night that a call for a meeting would be issued for Friday in Richmond, at which league matters would be discussed.

## WELLS IS FLOORED BY YOUNG BROWN

New York, June 5.—Matt Wells, the English light weight champion, and hundreds of spectators were surprised in Brooklyn to-night when Young Brown, an East Side lightweight, knocked the Englishman off his feet in the first round of a ten-round bout with a clean left swing to the jaw. Wells was up in a couple of seconds, although he had no better of the fight as a whole, he found Young Brown unexpectedly strong and clever. The fight was fast, with the Englishman getting in three blows to Brown's one, but the young East Sider fought gamely. Wells was cautioned against his head and hitting in the breakaway.

Wells weighed in at 140 1-2 pounds and Brown at 137.

### Sets New Twirling Record.

Winston-Salem, N. C., June 5.—By pitching Winston-Salem to victory in a double-header this afternoon against Charlotte, the local team set a new record for the Carolina League. Ray won Monday's game, 3 to 2; Tuesday's game was postponed, and the team won both games to-day, 7 to 5 and 12 to 4.

## SUFFOLK BALKS AT POOR CIRCUIT

May Enter Virginia League if Western Clubs Are Thrown Out.

Suffolk, Va., June 5.—It is rumored that Suffolk will enter the Virginia League if any one of its clubs surrenders its franchise. This is positively denied by those in control of the baseball situation in Suffolk. It is positive that Suffolk will not operate or permit the operation of a franchise so long as the Western teams stay in the association, but should the franchise if it is offered to them, and the fans will rally to the support of the team.

G. S. P. Holland, Jr., who has been active in the efforts to secure a franchise for Suffolk, is authority for the above.

## RIXEY MAY SIGN WITH WHITE SOX

Salary of \$650 a Month Said to Have Been Offered Virginia Portpaw.

[Special to The Times-Dispatch.] Charlottesville, Va., June 5.—That Eppa Rixey, Virginia's clever southpaw, will affix his signature to a big league contract at an early date is the belief of his friends here. From a reliable source, it is learned that Rixey offers continue to come to the big twirler. The latest club to make a determined effort to secure his services is Chicago, leaders in the American League race.

Last week the White Sox manager wired Rixey an offer of \$650 a month and later sent down a representative to see the college twirler. Yesterday there came another message from Chicago urging Rixey to accept.

## Authorities

Are cited by the Virginia Railway & Power Company to prove that a monopoly, in public utilities, when controlled by proper authority, is preferable to regulation by competition.

No authority is, or can be, cited in favor of an uncontrolled monopoly.

The Virginia Railway & Power Company, as a purveyor of light and power, is an uncontrolled monopoly.

The State Corporation Commission, in a case against the Virginia Passenger & Power Company, sustained this contention of that company, and said:

"No authority is conferred \* \* by the constitution or by law to make any regulation or requirement \* \* against the defendant."

This monopoly may serve whom it pleases, as it pleases, and upon its own terms.

### Entirely Different Performance From That of Day Before, and Fans Enjoy It.

Danville, Va., June 5.—The unexpected happened suddenly to-day when pitcher Gordon held the Petersburg sluggers in the hollow of his Southern paw, and when the locals played rings around the Champs in every department of the game beating them by a score of 5 to 4. Timely batting coupled with McGuire's wild pitching spelled defeat for the visitors. Danville opened up in the first, when with two down Schrader doubled and scored on Hudgins single. All the way through the game the locals kept in the van until the ninth, when three more were scored. Schrader's hitting was the feature.

### Fast Amateur Game.

What promises to be one of the best amateur games of the season will be played Saturday at Lee Park between the Battle Axe and Southern Bell. The telephone boys are confident that they will take the measure of the Battle Axe, as they have strengthened considerably since their last game.

Dr. Parker is equally as confident that his champions will win. These teams have met once before this season, the Southern Bell winning by a small margin.

The game will be called at 4:30 o'clock and a large crowd will doubtless be in attendance.
